Dear Colleagues and Friends:

Summer weather has finally arrived and along with that the 2016 Budget Season is upon us. Also right around the corner are Town caucuses and November Elections. Please reach out to your neighboring communities and colleagues in support of their needs during this very stressful time of this four year cycle.

Unfortunately, we will probably lose some great friends, veteran clerks, and clerk-treasurers. Just remember, when one door closes another opportunity knocks. Remain true to yourself, your family, your community, and your faith. Not necessarily in that order.

At the 79th ILMCT Conference retiring clerks and clerk-treasurers were recognized for their years of service to the league and their community. On behalf of the officers of the ILMCT, I would like to wish them the best in their future endeavors.

The education committee has met and are developing the 2016 education opportunities at Ball State Institute and Academy, the 80th ILMCT Conference in Michigan City, and the fall district meetings.

I hope you all can attend the Northern or Southern October District meetings for the valuable information provided by HR Unlimited and the SBOA in October. I would also like to thank Amy Cating for the great year she had as president and a very successful conference in Indianapolis.

Get involved in ILMCT and join a committee. Next year with new colleagues taking office we all need to be active in our great organization.

Sincerely
Vicki L. Kitchen
2015/2016 ILMCT President
Departing words from Past President, Amy Cating

IT HAS TRULY BEEN AN HONOR TO SERVE AS YOUR PRESIDENT THIS PAST YEAR. THE OFFICERS, EXECUTIVE COMMITTEE, DISTRICT DIRECTORS, AND COMMITTEE CHAIRS, CO-CHAIRS, AND MEMBERS HAVE WORKED TIRELESSLY ON YOUR BEHALF AND I THANK THEM FROM THE BOTTOM OF MY HEART.

Meet ILMCT Secretary -Treasurer, Terri Buckmaster from Walkerton

I have served as Clerk Treasurer for the Town of Walkerton since November 2007. Before being appointed as Clerk Treasurer I worked as a Deputy Clerk for eight years. I have been involved in the community since 1995 with my husband and I owning a local business. I served on the Walkerton Chamber of Commerce Board of Directors for five years, serving as President and Secretary Treasurer. I received my MMC in May of 2014. I have served on several committees for ILMCT including the Education Committee and the Executive Committee.

I am a hometown girl graduating from John Glenn High School in 1979. My husband Phil and I just celebrated our twenty fifth wedding anniversary. We have three children and eleven grandchildren. I enjoy spending time with my family, reading and golfing. I am honored to serve the League as Secretary-Treasurer.
Q. Can a non-attorney who is on the fall ballot for city/town court judge serve if elected?

A. Public Law 173 – House Enrolled Act 1110 amends IC 3-8-1-1.5 and requires the judge of a city or town court be an attorney in good standing admitted to practice law in Indiana. It allows a currently serving city or town court judge who is not an attorney to continue to serve as a judge until he/she leaves office. However, situations have arisen in a few communities where a non-attorney candidate won the primary last May and is the only candidate on the fall election for judge. Questions have been asked regarding whether the non-attorney on the fall ballot can be elected and serve as a judge.

The State Board of Accounts posed this question to the Election Division of the Indiana Secretary of State’s office for guidance. The Co-Director of the Election Division responded a non-attorney would be prohibited from being elected and serving as a judge. The response is as follows:

"House Enrolled Act 1110, SECTIONS 1, 3, 16, and 17 took effect July 1, 2015. The pertinent parts of this law provide that a candidate for city or town court judge not currently holding that office must be an attorney admitted to practice law in Indiana. Although certain incumbent officeholders are "grandfathered", meaning that they are not subject to the requirement that a candidate for the office of city judge or town court judge must be an attorney, there is no such "grandfathering" provision for non-incumbent individuals who filed as candidates for these judgeships before the effective date of the requirement (July 1).

As a result, such a candidate ceased to be qualified as of July 1 under this law. The candidate may file a notice of withdrawal (CAN-46, attached) with the county circuit court clerk, or if the candidate does not choose to do so, the candidate (if elected) may be challenged after the November election in a contest lawsuit under IC 3-12-8, or through some other judicial procedure."

Please consult with your city/town attorney and the Election Division of the Indiana Secretary of State’s office if you have questions.

CLASS DESCRIPTIONS

1782 Notice (ILMC Category I, 2 hours)
Presented by Paige Sansone, Umbaugh
This class will examine the preliminary budget order, also called the 1782 Notice. We will cover what types of information can be extracted from the 1782 Notice, as well as how to interpret that information. Additionally, the course will discuss what types of changes may be requested, and how to request those changes.

Surviving an OSHA Audit (ILMC Category III, 1 hour)
Presented by Mitch Ripley, HR Unlimited Resources
A question you, as an elected official, should be asking, “Is my community prepared for an OSHA investigation?” In this one-hour program, you will learn:
- What can cause an OSHA investigation
- OSHA’s authority and your rights as employer
- What procedures will be used by OSHA
- What you can have ready long before the investigation
- Tips for handling an OSHA investigation
As long as your City or Town continues to hire people, you will always be subject to the possibility of an OSHA investigation, why not be ready?

Dealing with Difficult People (ILMC Category II, 3 hours)
Presented by Mitch Ripley, HR Unlimited Resources
In a perfect world, there would be complete agreement, cooperation and harmony in our local communities. When citizens have questions or problems they would kindly and gently express their views. Mayors, Town Managers and Councils would work hand-in-hand with us day in and day out. There would be great working relationships between departments. But as we all know, we don’t live in a perfect world. Many of us find our relationship with these to be less than perfect, or strained, or maybe even antagonistic. This session seeks to begin dialogue to help us understand how we can communicate better and work together better to find a common ground to improve our working relationships. Maybe the working together will never be described as paradise, but we can certainly make strides to be better.
