Dear Colleagues,

Please find enclosed with this letter your city or town 2021 dues invoice for membership in the Indiana League of Municipal Clerks & Treasurers.

If you are not already a member, I would like take this opportunity to invite you to join ILMCT. The League was formed in the mid 1930's and consists of City or Town Clerk-Treasurers, Clerks, City Controllers, Deputy Clerk-Treasurers, other Clerk Staff, Affiliates and Honorary members.

By being an ILMCT member, you will have access to a world of information from other cities and towns throughout Indiana. ILMCT exists to provide a network for municipal Clerk-Treasurers and Clerks (such as yourself) to promote development through training and information sharing, to encourage sharing of resources and advice among peers, and to advance the profession of Municipal Clerk-Treasurers. We are excited about the momentum of 2020 and hope to see more individuals have access to these valuable resources.

Once you pay your membership dues, you will have joined one of the most professional, dedicated groups in the State of Indiana. The League provides opportunities to attain continuing education through the institute/academy classes. State Board of Accounts state called meetings are held during the annual conference and fall district meetings. At these events, various state and federal agencies are invited to present the latest information relative to our everyday responsibilities. Your league membership will prove to be cost effective as there are reduced registration fees for attending various events.
