ILMCT will be assisting the SBOA in regional seminars around the state in April geared toward helping newer Clerk-Treasurers/Clerks; however, seasoned Clerk-Treasurers/Clerks are welcome to attend. SBOA will be sending out additional information on this as they prepare the classes.

AIM (formerly IACT) will again be hosting the Clerk-Treasurer’s School on May 10 as well as a Budget workshop on May 11 in Indianapolis. AIM will also host the Budget workshop in Jasper on May 11th, in Fort Wayne on June 7th and in Munster on June 8th. Please try to attend one of the workshops as they are very informative.

The International Institute of Municipal Clerks (IIMC) will have their 71st annual conference in Montreal, Quebec, Canada on May 21-24 and the Association of Public Treasurers of the United States and Canada (APT USA&C) will be having their 52nd annual conference in Orlando, Florida at Walt Disney World on July 23-25.

The 81st ILMCT conference will be June 12-15 at Florence Indiana at the Belterra Casino Resort. Tuesday and Wednesday will be State called meetings by the State Board of Accounts and will feature the SBOA and Department of Local Government Finance (DLGF) as well as other speakers. We are busy planning the activities and education sessions.

We hope to see you in June at the Conference.

Tami Runyon, IAMC, MMC, CPFA, CMO
City Clerk Treasurer, Bluffton
ILMCT President
Q: If we find an error in our Annual Financial Report after it’s been submitted, can a correction be made or do we have to wait until the next audit?

A: If you find an error in your Annual Financial Report, you can un-submit the report and make the necessary changes. But don't forget to re-submit it – this is a common mistake. When re-submitting, you'll need to print, sign, and mail a new attestation form.

The ILMCT Executives, Education Co-Chairs, Education Committee members, and the IIMC have been meeting to discuss needed changes in the education and education development of our membership.

These group meetings have outlined a direction that the league leadership feels will give us credible education. This will be a mix of opportunities that include classes from AIM, IIMC and APT US & C with a variety of educational platforms.

Our discussions have included the ideas of offering webinars, smaller localized meetings that help eliminate overnight stays, self-directed courses, but also relying on the March Institute, June Conference and the Fall District Meetings. The idea of having some individualized learning opportunities allows for training that you personally feel you need. There is also a need for the group learning environment for networking, idea bouncing and past practice sharing.

More details are to come and nothing is in concrete as of the writing of this article, but we wanted to share what we could to date.
Your legislative committee co-chairs has been actively involved with AIM and its lobbying team since the session started in January. This has been a very busy session as you would expect with it being the Budget session. In addition, the Road Funding Bill, HB1002, has been taking up a lot of time and discussion. We have attached a flow chart to give you a flavor of the complexity of the MVH & LRS revenue and expense streams. 

Before we get to some specifics, here are a few “fun facts” and a look at the raw numbers of bills and joint resolutions that made it past the half-way point of session.

- **675** House Bills introduced, **164** still alive
- **6** House Joint Resolutions introduced, **0** still alive

- **570** Senate Bills introduced, **198** still alive
- **10** Senate Joint Resolutions introduced, **1** alive

As you can see from the figures above, there are still a large number of Bills still alive and impactful to our operations. Please take some time to review these and any others that you find might be both beneficial and detrimental to our efforts.

Use this link to enter the IGA website and track any Bill. Your legislative committee welcomes your input and ideas on any of these issues or others that might not be listed below.

**Bills of Interest:**

- **SB12 (Zakas) & SB377 (Raatz)** – Residency of Police & Fire is DEAD; failed to pass Senate by 3rd Reading deadline.
- **SB152 ( )** – Local Redevelopment (RDC): Passed Senate; assigned to House Cmt Government & Regulatory Reform.
- **SB159 (Niemeyer, R)** – State Examiner Findings: Passed Senate; assigned to House Cmt on Government & Regulatory Reform.
- **HB1031 (Slager, H)** -- State Examiner Findings: Passed House; assigned to Senate Cmt…companion Bill to SB159.
- **SB213 (Hershman, B)** – Passed Senate; waiting for assignment to the House…likely to Rep. Ober’s Cmt on Utilities, Energy & Telecommunications.
SB467 (Buck, J) – Fire Department Reimbursements: Passed 50 – 0 in the Senate; No assigned
SB502 (Freeman, A) – Storm Water Fee Exemptions: failed to pass Senate by 3rd Reading deadline
HB1622 (Speedy & Freeman) – RECORD OF COUNTY AND MUNICIPALITY VOTES (Roll Call Votes): Passed the House and waiting for assignment in the House. This Bill would require all Roll Call Votes to be posted within 24 hours to a Town or City website
HB1116 (Lehman) -- COUNTY, CITY, & TOWN OFFICER SALARY WAIVERS: Allows an elected officer of a county, city, or town to waive all or part of the officer's compensation. (Current law allows a town officer to waive all of the officer's compensation.)

Brian Gould and his legislative team will be with us in Muncie, on Sunday evening. We will report again on any other developments and issues happening this session. Thank you for interest and for your active participation in the process.
Respectfully,
Deborah, Michael & Wes
